

# WHAT IS GOING ON IN THE STABLE

## UNIKORNIS STABLE

*The gate to world-class dressage trainings and riding competitions*

There have been some special events recently in the Unikornis Stable, and we want to continue with offering wide variety of international dressage competitions and clinics in the future.

We organised a very successful open days for the American International School on the 9<sup>th</sup> and 10<sup>th</sup> of November. The visitors could take part in the daily life of a professional dressage stable and saw a presentation about riding from the basics up to international Grand Prix level from the age of 8 up to adult. We are open to host other international schools for a similar open day in the future.

On the 24<sup>th</sup> of November we organised a practicing competition with the judgement of Marianna Vigh and Csaba Illyés. It was a great opportunity for the riders to try the circumstances of a competition and to get used to the stressful situations and get the ability to handle it.

We are doing our best to move the dressage sport forward in Hungary by following the example set by earlier competitions in the future. We are planning to organise more clinics and competitions in the upcoming season.

On the 15<sup>th</sup> and 16<sup>th</sup> of December 2018 Nicolette van Leeuwen gives a clinic at the

Stable with the topic of **“Focusing of test riding”**. She is well known among Hungarian riders. For those who do not know Nicolette van Leeuwen, she is a 5 star Dutch trainer who was also a military champion. She was the rider of the famous stallion, Rousseau. She achieved several results with young horses and youth riders. Until now her riders collected 24 medals on Championships for Ponies, Juniors and Young riders.

There were an outstanding dressage competition in the Unikornis Stable in the first quarter of 2018 and we would like to reorganize it in 2019. Winter Cup 2019 is

going to be a special two-round competition. The first round is on the 16<sup>th</sup> and 17<sup>th</sup> of February and the final is on 27<sup>th</sup> and 28<sup>th</sup> of April. On the Winter Cup we are going to provide high quality dressage competition for the entering riders. We are going to invite again four and five star international judges like in 2018 when we invited Uta Harlein and Simona Fialova for the first round and Maja Stukelj and Eva Maria Vint-Warmington for the second round. We offer great prizes for the winners of the two-round competition with a total amount of 1.5 million HUF and this year we offer a car as a special prize among the finals.

We are going to arrange an international competition in May. We organise Pony, Children, Junior, Young rider, U25 and CDI-W categories. We are planning to invite high quality international judges. We are going to provide two halls and two dressage arenas. We have four season arenas that are ready to use on the competition.
